Re: Municipal Election 2014

Dear members of Council,

I hereby share my concerns with you about some irregularities amongst other things that occurred in our 2014 Municipal Election in Kincardine.

1. Scrutineer Access

Where scrutineers presents at all times?

2. Validity of Ballots

I finally received the voter records for election day in the afternoon on Thursday Oct. 30 and discovered multiple votes at the same address. On Friday Oct.31 I asked the clerk, Donna Mac Dougal about the possibility a person voting more than once.

Can you guarantee your constituents that this a single incident?

3. Access to Results

Will you share a report with the public about the amount of spoiled ballots?

Awaiting your responses,  
Jutta Splettstoesser
